Economic task force announced

by Jay Kerr-Wilson

The recent cut in Chamber of Commerce funding is part of the County's move to assume control of economic development, says Warden Carol Puffer.

In an interview with *The Times* last Thursday, Puffer said the money held back from the Chamber's budget is being used to establish an economic development task force at the county level.

This task force will work with the Chamber and the Haliburton County Development Corporation to implement the county's economic development strategy plan.

"We'll all be in line and working together," said Puffer. "It will be a consolidated effort. Everyone will have input."

Chamber members have been critical of the county's decision to reduce funding by 53 per cent, claiming the move threatens Chamber operations.

(more on page 3)

Hot team

Members of the Haliburton Huskies Tri-County Bantam hockey team were treated to the traditional ride through the village on a municipal fire truck last Monday to celebrate their success in capturing the division championship.

Minden's reeve recovering after heart attack and surgery in Florida

The reeve of Anson, Hindon and Minden is recovering in a Florida hospital after undergoing double by-pass surgery last Wednesday.

Ray Moore suffered a heart attack on March 13 while vacationing near Tampa Bay and was taken to Bayonette Point Hudson Hospital. Repeated attempts to clear two blocked arteries were unsuccessful and a by-pass operation was ordered.

Moore's son Brian told *The Times* that doctors described the operation as "routine and uneventful" and that the reeve was in good spirits when he awoke after the procedure.

Brian said his father will

remain in hospital for about another week and will stay in Florida for recovery and follow-up treatment for another six weeks.

"It was not a major heart attack," said Brian. "Although there's no such thing as a non-serious heart attack, he didn't lose consciousness."

Although Moore considered returning to Canada for the operation, Brian said it might have taken 6 months to schedule the surgery.

The hospital where Moore is being treated has an excellent heart unit, said Brian, and the decision to stay in Florida was based on the quality of care the reeve is receiving.

Chamber picks up the pieces

The members of the Haliburton County Chamber of Commerce are being asked to help decide the future of the organization.

The board of directors has called a general membership meeting for April 9 at which time the implications of the county budget cuts will be discussed and a future direction for the organization set.

President of the county-wide organization, Lynn Stevens of the Red Umbrella Inn, told *The Times* that the executive met last Thursday to examine the goals and objectives of the organization. "We talked about a number of options," she said, but refused to give details.

Stevens said the members

will have an opportunity consider the possible alternatives, suggest others and then provide direction to the board.

"One thing is certain," she said, "the Chamber cannot go on doing what it is doing with that drastic cut in funding." A week earlier the Haliburton County Council announced the 1991 grant to the Chamber would be \$32,700. The 1990 grant had been \$70,000 and the request for this year was for \$73,500.

Stevens said for the Chamber to continue to operate in any form, a number of drastic cuts will have to be made or new sources of revenue found. In either case, the board is seeking the direction of the member-

ship.

She suggested the Chamber could abandon the aggressive role it has taken in promoting the Highlands outside of the county and become a "9 to 5 o'clock information station, open five days a week".

However, she also noted that much of what is accomplished by the Chamber in promoting the county is done through the hard work of volunteers. She said it will be difficult for the present board, who are all volunteers, to be motivated to do more after being "kicked in the head" by the county.

She said she didn't think the members of County

Slaves return to high school with a new twist

by Susan Grober

Don't be alarmed — slavery isn't back in style.

But an upcoming auction at Haliburton Highlands Secondary School will provide people with the opportunity to bid on a selection of personal servants to be at their beck and call for a day.

Each year, graduating high school students form a committee to organize a banquet, HHSS Principal Peter Forgrave told trustees at last Tuesday's school board meeting.

Forgrave requested permission from the board for students to hold the auction and a carwash to raise funds to help pay for the banquet.

The carwash will be run one weekend by Grade 12 and Ontario Academic Credit (Grade 13) students. Bill Valentine has volunteered to supervise.

The personal servant auction will be held during school hours, said Forgrave.

A similar activity was held in previous years under the name of a slave auction. But it was disbanded last year, because committee members felt it wasn't an appropriate way to promote school spirit, Forgrave said.

"They were afraid of embarrassing or putting down people," he said. "This year, they've gone back and looked at it, and have a series of ground rules."

Lisa Valentine, who co-chairs the committee, told trustees there will be people on hand to monitor the hallways and to look after the personal servants.

"We want to make sure it's not degrading the personal servant in any way," she said.

The servants will be made up of Grade 13 student volunteers. They can be purchased by staff and students from all grade levels, and must provide service from the beginning of the school day until 3:30 p.m.

"How much money would I have to invest for the services of one of these people?" Director of Education Stuart Baker asked Valentine.

A minimum of \$5 has been put in place, "to avoid people being purchased for twenty-five cents," she explained. "We don't want to set a maximum, because if people can afford to pay, then we'd appreciate the money."

Trustee John Munro asked why the activity was previously abandoned.

Forgrave said at the last auction, all

Grade 13 students were required to take part. And there were some differences in the bidding.

"Some went for as much as \$20, \$30, and \$40, and some went for \$2.50. This year, we're trying to avoid embarrassment, and things that will tend to hurt, rather than help."

Valentine said a number of people have already volunteered, and most of them are male.

The money will contribute to bringing ticket prices down for the banquet, which will be held at the PineStone Inn.

Trustee Wally Bunn asked why Grade 12 students aren't being asked to participate in the activity.

Valentine said by restricting the auction to Grade 13 students, it would be easier to control the activity and keep things from getting out of hand.

Trustees approved both activities.

Locals speakers place second

Minden can be proud of two of its young students who, after successfully competing in the Royal Canadian legion's branch public speaking competitions, went on in their respect divisions to the Zone F4 competitions, held at the Legion in Lindsay, and obtained second place standings on March 25.

In the Junior division (grades 4, 5 and 6), Luke Lester, 10, son of Mr. and Mrs. Mark Lester, presented a humorous speech on the problems of a student riding the school bus ("the yellow submarine"), each day to and from school. Luke calculates that to graduate he will have to suffer over 65,000 km of bussing. He obtained a second place standing against students from several other schools who were very worthy opponents. Luke was sponsored by the Minden Legion Branch 636.

Haliburton Legion Branch 129, in addition to sponsoring students from the public schools, sponsored students from grades 9 and 10 who are at the Senior level for Public Speaking.

Grant Wilson, 14, from Haliburton Highlands Secondary School, was one

of the students sponsored. Grant is the son of Mr. and Mrs. Wayne Wilson of Minden. Grant took first place at the branch competitions, hence in Lindsay he also took a second place win. His speech was very humorous about his trials "living with his family", and

had reference to each of his family members. He applied satirical Latin names to each, which no doubt strained his mother's equanimity, as she sat in the audience.

Both of these students can be proud of their wins as they were well earned.

Council holds off decision on shooting range lease

by Susan Grober

Ideas for leasing property to the Haliburton County Marksmen Club were recently shot back and forth by Lutterworth Township Council.

At its last meeting, council discussed renewal of a lease of property for a shooting range on a small portion of a sand pit along the Iron Mine Road, off Highway 121.

The entire property is zoned extractive industrial (M2), and council has already approved the club's application for a site specific rezoning to recreational (RE2), which allows for a shooting range.

"They've taken this seriously," said Reeve Carol Puffer. "They've gone through rezoning, and surveying. They've complied with us in every way."

Puffer said the township should offer at least a two-year lease.

"In all fairness, it would be nice if they knew they could advertise the club over the next couple of years," she said.

Because only three council members were present at the meeting, Councillor Bill Valentine said the matter should be put on hold.

Valentine said there was no way council could vote anyway, since he would refuse to either move or second any motion on the matter.

Deputy-Reeve Jim McMahon suggested a two-

year lease of the property at \$150 a year.

"I'd agree to that," said Valentine. "Let them put their money where their bullets are."

Bill Moss is treasurer for the club, and he says they've already invested \$2,000 in the property to pay for the rezoning.

Because of all the money the club has put into the shooting range, Moss would like to see council offer a lease for more than two years.

The next council meeting is Tuesday, April 2.

Flipping over spring

The first day of spring was accompanied by some very unspring-like weather that left area roads hazardous. This truck went out of control on Highway 35 at Moore's Falls and rolled into the west ditch. The driver, Sharon Marsh of Norland, was not injured.

Dedicated Chamber volunteers frustrated over funding cuts

(from page 1)

Council knew what was happening at the Chamber or the amount of time individuals donate to the organization. "I'd like each member of the council to spend a month in our office to see the variety of services we provide," she said.

Stevens said that not only are current members of the board frustrated with the drastic cut in county support, but it will likely make it difficult to attract new volunteers in the future.

The president used the Chamber's participation in the recently completed Sportsmen's Show as an example of the dedication

of the organization's volunteers and staff.

"The Chamber booth was taken to Toronto and set up at the show by Joachim Matysek. He volunteered his time and vehicle. Chamber Manager Robyn Jarvis was there for 11 days, being paid for her time, but staying with a friend in the city to cut the accommodation bill to next to nothing. Throughout the show Chamber members were in attendance at the booth answering the questions of the public and handing out brochures on the Haliburton Highlands. They were all volunteer. We (Lynn and her husband Bob) went down to pack up the booth and drive it back to the

office in Minden at no charge to the Chamber." Stevens concluded "I understand the county has earmarked \$2000 for the Sportsmen's Show. I would like to see them get that kind of participation and value for the amount of money they've set aside."

The location of the general meeting had not been determined at press time. An announcement will appear in next week's newspaper with that information.

"The meeting is open to all members. We hope they'll come armed with ideas on where we are to go next," she concluded. Members of County Council have also been invited to attend.

Warden vows to see strategy through

Development of economy is key

(from page 1)

But Puffer says the county is still providing the Chamber with \$32,700 and \$6,000 of that is intended for event development to help the Chamber become more self-sufficient by generating its own revenue.

She said the county's intention to reduce funding over the next several years should not come as a surprise to the Chamber board of directors.

"They've known for a number of years that we want to make the Chamber more self-sufficient," she said.

By taking over responsibility for economic development in Haliburton County, Puffer says the county's task force will take a broader approach than the Chamber.

"The Chamber is tied to private sector tourist operators," she said. "We want to cover a wider area and look at the big picture."

This big picture will include marketing available industrial parks in the county and focusing on job creation and job training.

"The Chamber has had a lot of money to promote the tourism sector," says Puffer. "The time has come for the County to take control of economic development."

The county is currently advertising to find two county residents to serve on the economic development task force which is being chaired by Puffer and also includes Mark Stagg, the county's economic development officer.

Puffer says she's looking for creative individuals who can promote the entire county without "destructive intra-area competitiveness."

Just three days after the county passed its budget, Puffer met with Chamber president Lyn Stevens, Andy Campbell of the Haliburton County Development Corporation, Stagg, and Brent Court from Employment and Immigration

Canada to begin discussing strategy.

The County is taking advantage of a federally sponsored program called Community Futures to develop job creation and training programs in the area.

"That what the County is zeroing in on, jobs, job creation and job training," said Puffer. "This is my priority."

The federal program is geared towards long-term development and Puffer said the county's role will be planning according to its priorities.

The County has budgeted \$25,000 for economic development in 1991 and the government is contributing another \$75,000. This level of federal funding would not have been available next year and Puffer said the County could not afford to let the opportunity slip by.

"If the County of Haliburton didn't go for it, another area would be leaping at it," she said. "To question economic development escapes rationale."

The County's strategy is based on the economic development study completed last year and Puffer said the county has to continue implementation. She disagrees with people who feel the County is going too far, too fast.

"We paid someone \$30,000 to tell us what to do," she said. "Do we want to throw (the study) on a shelf because there's a recession? We need this to help people."

With a decline in tourism because of the recession, Puffer says it's important to develop other areas of the economy such as industry and business.

By combining the efforts and resources of the County, the Chamber and the Haliburton County Development Corporation, Puffer hopes to develop a realistic strategy for economic development that will reap long-term benefits throughout the county, before her term as warden ends in December.

"I have eight months to do the job, and I'm going to do the best job I can."

I WILL GROW STRONGER

Constable volunteers for Minden project

Community police officer may hit the beat by summer

by Jay Kerr-Wilson

A majority of people who showed up at a public meeting last Monday support the concept of a community-based police

officer in Minden Village.

About 20 residents were at the meeting and heard a presentation from Staff Sergeant Bill Elliott about the concept and some people were concerned that the

small turn-out may dampen enthusiasm for the proposal.

"Twenty people does not constitute a community," said Jerry Jordan. "If people aren't interested, you can't beg them to come to meetings."

But Elliott said that only seven people showed up at the community policing meeting in Dysart a year ago and the concept has been very successful in Haliburton Village.

"A majority of people don't go to meetings," said Elliott. "It doesn't mean they're not interested." Elliott said the next step toward establishing an officer in the village is to find office space and bring together a police affairs committee.

Elliott said that in all other areas of the province, the municipality assumes responsibility for paying for an office and telephone for the officer. He said he would like to see a location on Main Street for the officer, "but that's a decision for council. It's their money."

Membership on the committee is to be drawn from various areas of the community, including churches, senior citizens, service clubs, businesses, one council member and two or three people from the community-at-large. Elliott said he would also like to see at least one teenager willing to serve.

Constable Mark McMaster has volunteered to act as Minden's community officer and he will work with the committee

to identify particular problems in the village and establish a police service plan.

The plan could include traffic problems, crime or even dealing with the problem of loitering teenagers by trying to find some place for them to hang out. "You can't just beat them off the streets with a big stick," said Elliott.

The committee will operate informally and meet about twice a month. Elliott said it's important that the committee doesn't try to accomplish too much, too fast. "Don't think you're going to solve all the problems in Minden in three weeks."

Other aspects of community policing could involve setting up Neighbourhood Watch programs and holding self defense courses for women, said Elliott.

And although McMaster will be the designated officer for the village, at night he will have another officer acting as back-up. "Basically you're getting two officers," Elliott said.

A questionnaire was distributed to people at the meeting asking them to identify some of the problems they perceive in the village.

Copies of the questionnaire are available at the OPP detachment in Minden and will also be appearing in next week's issue of *The Times*. Anyone interested in serving on the police affairs committee can contact Elliott at 286-1431.

Elliott said he would like to see McMaster established in the village by the summer.

Budget backlash based on misunderstanding: Puffer

by Jay Kerr-Wilson

Initial reaction to the county's budget is based on a great deal of misunderstanding, says Haliburton County's warden.

In an interview last week, Carol Puffer said much of the criticism resulting from 35.7 per cent increase in the county levy is unfounded.

She said many people have overestimated the effect the increased will have on their property taxes. Because the county levy only represents a portion of the overall tax bill, Puffer says the actual increase in dollars will be less than people think.

For instance, in Lutterworth the county apportionment only accounts for seven per cent of property taxes. If a person paid

\$1,000 last year, the 35 per cent increase will cost them an extra \$25.

And most of the 35 per cent increase can be attributed to spending that is beyond the county's control, such as Children's Aid and social services.

Puffers says 24 per cent of the increase is the result of mandated services and deficit caused by higher than expected welfare payments.

The remaining 11 per cent increase covers all costs for administration, roads, and new programs like the Waste Management Master Plan, the county official plan and economic development.

Although there has been criticism for the county pursuing new initiatives during a recession, Puffer says the county's share of

waste management, the official plan and economic development, only amounts to 4.8 per cent of the overall increase.

"We still have to keep progressing," she said.

People should reserve their criticism for Queen's Park, says the warden. "Why should we take the flack, when 24 per cent of the increase comes from the province?" she asks. "We're working for them, don't pick on us as tax collectors."

"If you're going to start a tax revolt, go where it's justified."

Puffer said she's surprised by the complaints of municipal councillors considering that all the reeves and deputy-reeves had a hand in drafting the budget and county council was unanimous in adopting it.

Legion requests 10 year break from property tax

by Jay Kerr-Wilson

The Minden Legion wants to get a 10-year break on paying property taxes for its Highway 35 building.

Legion vice-president Dave McAdam appeared at last Thursday's council meeting and requested that a by-law be passed to exempt the Legion from municipal property taxes.

The request is based on a section of the Municipal Act which allows municipalities to exempt from taxation any premises actually used and occupied as a clubhouse by persons who served in the armed forces in any war.

The exemption would not apply to education or local improvement taxes.

"I think our premises may fit that," said McAdam. The by-law limits the tax-free status to a 10 year period and McAdam said the Legion could delay the start of the exemption until for a few years.

Because the number of surviving veterans in the province is dwindling, McAdam said the Legion

wants the by-law enacted now in case the province decided to strike the provision from the Municipal Act in the future.

The Legion paid \$2,200 in municipal property taxes last year and McAdam said the organization is not in bad financial shape. Looking down the road, however, he said a \$68,000 debenture is due for payment in 1998 and expansion of facilities might be necessary as membership increases. "Possibly by that time, we'd need some relief," he said.

Deputy-Reeve Bern Berry said the Legion is appreciated by council and everyone in the community, but he expressed reservations about the tax exemption.

He said the Legion is already enjoying a saving because the building is taxed at a residential rate instead of commercial. Because the Legion sells food and alcohol, Berry said a further tax break could lead to unfair competition with local businesses who pay a

full share of the tax burden.

"If the Legion doesn't pay, the rest of us will," said Berry.

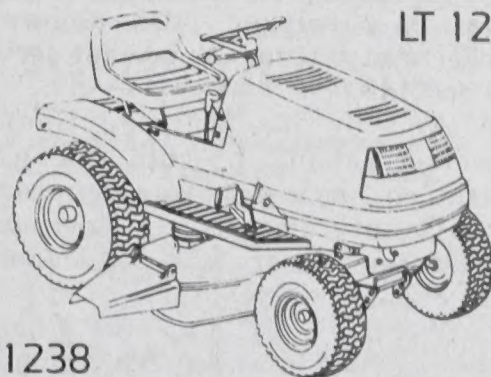

Councillor Mike Maher said granting exemption could open a "floodgate" of similar requests in other communities with Legions, like Haliburton and Kinmount. He said he didn't know if council could commit future councils to the 10-year exemption. He suggested that Minden should get a legal opinion on the proposed by-law.

Councillor Bob Sisson asked why, if the Legion is so involved in helping the community, it wants the tax break. "I don't understand why you'd want to be exempt," he said. "The taxes go to a good cause."

Council agreed to further research the issue before reaching a decision.

McAdam said the Legion has always enjoyed an excellent relationship with the municipality and would accept whatever decision council made.

Editorial

Last week in this space it was suggested that County Council and the Chamber of Commerce should work more closely together in an effort to develop Haliburton County's economy.

So it's encouraging to see that the county is forming an economic task force which will cooperate with both the Chamber and the Haliburton County Development Corporation to pursue a wide range of economic opportunities.

While we can accept that the county wants to see the Chamber become more self-sufficient in the future, cutting the budget in half from one year to the next seems like a drastic first step.

Instead the County should have worked with the Chamber to establish mutually agreeable budget reduction targets implemented over a number of years.

This would have avoided much of the surprise and resentment among Chamber members while allowing the directors to compensate for the loss in their budget.

Although the County saved \$37,000 this year, the price has been a Chamber that is paralyzed with anger and uncertainty, wondering what services to provide.

And by not warning Chamber members about the cuts, and giving them a chance to propose a compromise, the County has caused feelings of bitterness that are likely to jeopardize future cooperative efforts.

We can only hope the Chamber members will be able to reach some sort of consensus that will allow the organization to remain an integral part of economic development in the county.

Smokers cough up big bucks to support their addictive vice

If my father was alive, the second or third thing I'd say to him is "Guess what, Pop--cigarettes are selling for more than five dollars a pack."

And he'd look at me and tap his ash and snort "Still the comedian, eh?"

He'd never believe it, but it's true. Michael Wilson's latest fiscal thumbscrew has boosted the cost of 25 coffin nails well over the five-dollar mark. In most provinces, nicotine addicts are now (pardon the pun) coughing up \$40.93 for a carton of smokes--from which our governments, federal and provincial, cream off a tidy \$31.53.

Like any other drug pusher, they won't interfere with our right to kill ourselves, as long as they get their cut.

Black 'n White

by Arthur Black

My old man would never believe it. Back when he was smoking he only had to shell out 32 cents for a pack of Sportsmans. Some Christmases I'd splurge and buy him a 'flat fifty'--a nifty tin box of gaspers that cost me half my weekly allowance--all of half a buck.

Of course there are a lot of things about smoking in the '90's that my Dad would find incredible. I can just see him looking up at an Air Canada stewardess and

saying "Whaddya mean I can't smoke? This is an airplane isn't it? Well, where's the smoking section. Whaddya mean there's no smoking section?"

Back in his day, folks smoked wherever they felt like it--restaurants, buses, other peoples living rooms, barber shops...

I was in the barber's chair the other day when a customer in the waiting room lit up a cigarette. The barber left of trimming my ear hairs, went over and murmured apologetically to the guy. The guy stubbed it out. I said "What's the matter, Tony? You don't like smoke?" "No" he said Tony, "I don't like fines. Police dropped by the other day and told me I

Shooting range opponent misses the mark: treasurer

Editor:

I would like to answer Mrs. Trotter's letter of March 25.

a) **Noise:** All our scheduled shoots are held Saturday or Sunday from 10 a.m. to 3 p.m.; an average meet time, the rest of the week is casual members' target shooting. As most members work, I doubt it goes on everyday, sunrise to sunset. I was there over a period of three weeks last summer doing work and saw only two persons on two different days for maybe one hour each.

b) **Shooting on the road:** This is a problem for the O.P.P. It is illegal to shoot from a road! We do not walk the road. As professionals we know better.

If she can prove it is one of our members, they will be dismissed from the club. NO SECOND CHANCE!

c) **Devaluation of property:** This, I believe, is her main beef. The almighty dollar. Our next door neighbour bought knowing of our club. His property was not cheap.

d) **Nearby residents:** The residential area she speaks of is in an area that is not even ploughed in the winter! The closest residents are approximately one mile away and they don't complain, and I might add, are year-round residents.

We had a meeting: Council, Mrs. Trotter, H.C.M. (Haliburton County

Marksmen) Executive and Township Clerk and other parties. It was like talking to the proverbial wall. Mrs. Trotter is mindset to the club devaluing her property. It has not been up for sale; she says she hasn't had time to do that. She lives in London in the winter, spends most of her time at her sister's in Lutterworth Pines in summer, therefore how can she say the range is in use constantly?

e) As for personal comments - Petty? Vindictive? False information? Wild Assumptions? All of the preceding speak of what Mrs. Trotter is saying about H.C.M. We are a group of professional

target shooters. We do not comb the wilds looking for live game, nor do we discharge our firearms willy nilly at large.

Hours of training, many dollars spent and a great bond of friendship among men, women and children come of our club.

Anyone is welcome to come see what we do, but remember you must have glasses and hearing protection.

You can call Ron Coleman, President, at 454-8813, or Bill Moss, Treasurer, at 454-3255 for meet times.

By the way, Webster's Dictionary describes smallarms as: Firearms which can be carried on one's person. Firearms: Any portable weapon firing shot or bullets by gunpowder.

**Bill Moss, Treasurer,
Haliburton County Marksmen Club.**

Ratepayers must wake up to grim reality of tax hike

Editor:

I remember reading once about a jungle, in South America I think, where the natives rely heavily on monkey-meat for food. The problem however with shooting a monkey with an arrow is that such an agile quarry can swing through the trees for quite a distance before finally dying, unfound, high up in a tree branch.

The natives' solution is quite unique. They tie a bit of red rag to the arrow. After being pierced by the missile, monkeys sit and play with the red rag until they die and fall from the tree to the hunter's feet.

Which brings us zig-zag fashion to national deficits, GST, language rights, and lately, the Haliburton County proposed tax increase.

We, the ordinary grass roots citizens

of Canada, Ontario, Haliburton County, and Anson, Hindon and Minden Townships must send a clear message quickly. No more tax hikes. No more services we cannot afford.

The more we play with bits of red rag that politicians living in beer commercials or socialist dreamworlds dangle in front of us, the closer our fall.

**Gary Kenney,
Minden.**

Here's a chance to share auto insurance horror stories

Editor:

A case for governmental automotive insurance review:

The insurance industry talks of 8 to 10% increases. My wife and I had our premium increase nearly 400% after Allstate Insurance cancelled our standard policy.

Reason given: Too many claims.

Catch 22: Insurers keep records for six years and insist that they be notified of every incident or your policy may be cancelled. Our experience suggest if you do notify the insurer, the policy will be cancelled.

We appealed to the Insurance Bureau of Canada, the Ontario Superintendent of Insurance, even to Allstate's President: we were told the cancellation was in order.

Is Allstate different from other insurers? I don't know, but probably not. We were honest with our insurers and notified them of everything from a "biggie" where we were at fault, windshield breakage, even of a parking lot incident where not a cent was paid out. Every one was recorded. Our "biggie" total was under \$3,000. The six year grand total paid out was about \$4,500, while, for two vehicles, we paid well over \$7,000 in premiums.

Honesty, and the resultant cancellation, earned us an entrance to the "high risk" category where this one year's premium is more than the total amount paid out in six years. We have no tickets at all but other insurers now look at the computerized record and

refuse us a standard policy. Even with no more claims that will continue for several years.

The NDP government has promised changes. I want to give them incentive to seriously review industry practices.

I know many others have received similar treatment and I believe it to be unfair. This industry is very powerful; one man can not change it. I am appealing to your readers for help. Does any reader have an auto insurance horror story to tell? Or want to voice an objection of their own? Or just want to add their name to the list to demand changes? I will take anything you wish to the government.

I need your help. Please write to me: **Ron Martin, P.O. Box 862, Bolton, Ontario, L7E 5T5.**

The following is an open letter from local resident, Jeff Babineau, to Lutterworth Councillor, Bill Valentine.

Believe it or not, Mr. Valentine, I am not a newcomer to this area. I guess you're not as popular as you would like to assume.

I wasn't aware of the support you gave the HCSA in the early years and I thank you for it, but fail to understand how one can be a supporter of a club and criticize the work it does at the same time.

In closing, I would like to say that this will be the final letter that I'll be submitting to the editor on this matter as I feel that this is no longer two people with different opinions on a subject, but that it's starting to get personal.

**Jeff Babineau,
Minden.**

The Times welcomes signed letters to the editor, sent to Box 97, Minden, Ont.; KOM 2K0. Or fax us at 286-4768.

Choking back new rules on ciggies and stogies

(from page 6)

could be fined \$5,000 if I let people smoke in here."

It turns out that Tony has two options: he can pay twenty or thirty grand to add a smoking room with separate ventilation to the outside, or he can become an unpaid member of the volunteer Tobacco Police and make sure nobody—including Tony himself—smokes on his premises.

The Stamp Out Smoking movement is not just a Canadian phenomenon. Thanks to a very tough and militantly anti-nicotine Surgeon-General, most American states have similar restrictions. A 220 pound pal of mine with a penchant for smoking big smelly cigars was recently accosted in the middle of New York city by a 90-pound suburban housewife

who screeched that he was "polluting her air space".

He says he might have been a lot more sympathetic if they hadn't been standing at a traffic light in Times Square surround by belching buses and wheezing taxis.

The *Defense de Fumer* signs are going up overseas as well. You know the old stereotype of the Parisian *boulevardier*, sitting at a cafe with a glass of wine in his hand and a smouldering Gauloise hanging off his lip? Well, you can scratch the Gauloise. Earlier this year the French parliament passed a law prohibiting smoking in all public places, including schools and public transport, except for designated areas. It also banned all tobacco advertising in the

country.

Smokers aren't happy about the frontal assault on their cherished addiction, but their protests don't amount to much more than a few feeble emphysematic gasps. After all, you'd have to have the I.Q. of a cigarette holder to argue that smoking is a good thing. Lung cancer, liver cancer, heart disease, fetal damage...the facts are in, folks. If somebody invented smoking tomorrow, we'd throw him in jail with Manuel Noriega and all the other drug dealers.

That's why smokers don't say much.

But boy, if my old man was around he'd have plenty to say. He smoked two packs a day for as long as I can remember.

Right up until the heart attack.

Pretty as a picture

An exhibition of photographer Carol Moffat's work runs at the Agnes Jamieson Gallery until the end of this week. Some of the scenics were seen in the Minden Times last year, when Moffat worked as summer reporter. She now works for the Toronto Star as a crime reporter as part of her journalism program, but still visits the Highlands.

Total \$158,000 grant allocated

Bobcaygeon Road to be repaired

A \$65,000 grant for complete construction of Bobcaygeon Road in Anson Township will be provided by the Ministry of Transportation.

A total \$158,000 in funding in Haliburton County was recently announced by the ministry to upgrade and improve transportation facilities. Municipal governments must also pay a portion of construction costs.

Lutterworth Township will receive \$14,000 to pave Pine Ridge Road. Cardiff will get \$58,500 to prepare a site for a salt/sand storage dome. And Sherborne et al will receive \$20,500 to surface Harris and Outfitters Roads.

The grant is part of the second phase of a provincial government program to promote local economic strength and development, Ontario Transportation Minister Ed Philip announced, in conjunction

with local MPP Dennis Drainville.

"My government is dedicated to assisting parts of Ontario through this recession," Drainville said in a press release. "These road improvements will not only provide much-needed employment for the coun-

ties, but will also enhance the services for our many communities."

In total, the ministry will provide \$1,208,600 for roads in Victoria-Haliburton. This includes a \$315,000 grant to for pavement rehabilitation on Highway 36B in Lindsay.

Dorset ministry acid rain report

The following report on precipitation events was recorded at the Ministry of Environment acid rain testing station in Dorset and compiled by Environment Canada.

This report covers the period of March 17 to March 23.

March 18, 1 mm mixed rain and snow, 3.8 pH, from Southern Ontario.

March 21, 16 cm snow, 4.5 pH, from Southern Ontario.

March 22, 1 mm mixed rain and snow, 3.9 pH, from Southern Ontario.

March 23, 5 mm rain, 4.1 pH, from Western New York and Western Pennsylvania.

Environmental damage is usually observed in sensitive areas regularly receiving precipitation with pH less than 4.7. Readings of 4.0 pH or less are considered dangerous. The lower the reading, the more acidic the precipitation.

Shoreline closure nixed on major lake trout lakes

MNR rules anger Lutterworth council

by Susan Grober

Lutterworth Township Council is steaming over stricter guidelines on shoreline closures imposed by the Ministry of Natural Resources.

At its last meeting, council learned the ministry will automatically refuse shoreline closure applications on Gull, North Pigeon, Little Bob, Lutterworth, Sheldon, and Moore lakes.

"That's all the major lakes in Lutterworth," said Councillor Bill Valentine. "Even Sheldon has a hunt camp on it."

The Ministry of Natural Resources has revised its criteria for reviewing shoreline closures to include

consideration of fish and wildlife habitat.

Many municipalities require property owners to purchase the shoreline allowance before undertaking any alterations along the water.

And landowners must get a permit from the ministry to perform any improvements or construction on the shoreline.

Some at the meeting expressed resentment for what they feel is the ministry's ever-increasing interference.

"Where do they get this autonomy?" asked Gull Lake property owner John Percy.

"It's just like the KGB," said Valentine. "It's incredible. They have ultimate

power."

"Sometimes I wonder why we even bother having a township council," said a frustrated Deputy-Reeve Jim McMahon.

Under the new policy, municipalities are encouraged to retain municipal road allowances which are necessary to provide access

to water; consist of lands below the normal high water mark; or are adjacent to sensitive fish and wildlife habitat, including lake trout lakes, spawning areas, nursing areas and wetlands.

All the above mentioned waters are lake trout lakes, says the ministry's Mike Belcher.

Home Hardware reigns as men's league champs

It's all over for another year, and once again Home Hardware has clinched the championship in the Minden Men's Recreational Hockey League. The championship was decided Monday night as the Home team skated to a 5-2 victory over Westside Jug City in the second game of a best of three playoff final.

Home had won the first match 4-3, and so took the one game edge into the contest last Monday. It was a closely fought, exciting game in which Westside dominated the first two periods. Kevin Smith, between the pipes for the

champs was repeatedly tested by a barrage of Westside shots, but his creative netminding held the attackers to a single goal in each of the first two periods.

Westside was also fortunate to have high calibre goaltending in the person of Terry Crowe. He came under heavy fire in the third period, and was instrumental in holding Home to just four goals.

Westside opened the scoring at the 15-minute mark of the first period. Garry Harrison connected on a pass from Steve Crowe and Derek Allison. Before the first frame ended, Home

responded with Ben Manuge finding the mark on a pass from Ed Gibbons and Jeff Stamp.

Charging back into the second period, Westside took control of the play, but was unable to find the net until the 2:56 mark when Dave Hartwick scored on a pass from Dave Dollo and Jeff Campbell. It looked like Westside was going to carry the lead into the final period, however, with just 34 seconds left to play, Jeff Stamp evened the score with Kevin Smith getting credit for the assist.

The third period belonged to Home Hardware. Kevin

Hamilton scored the go-ahead goal at 10:55 with the assist going to Tom Miscio and Paul Walker. The insurance marker was netted by Jeff Stamp, an unassisted effort at 6:39. Westside was short-handing

at the time of the goal.

The final goal for Home Hardware and for the season was scored by Norm Barry who slipped clear of his end of the rink and fired the puck into an empty Westside net at the four

second mark.

With that, the 1990-91 season came to an end. The Home Hardware team claimed the Junior Windover memorial trophy and retired champions, repeating their victory of last year.

These Minden girls recently took part in the Fenelon Follies Skating Competition. They are, from left: Sarah Wilbee, Courtney Wells, Stacey Walker, Megan Hirstwood, and Krista Matysek. Ellen Brohm is at front. Brandi Hewson is absent from the photograph.

Figure skaters frolic at follies

The Fenelon Follies Skating Competition provided frolicsome fun for participating members of the Minden Figure Skating Club on March 23.

The meet was hosted by the Fenelon Falls Skating Club.

It offers competition for young Canskaters, and a

new test program for those who have not passed a Canadian Figure Skating Association freeskate test.

Everyone had a fun day. The results are as follows:

Nov. C — Stacey Walker, sixth.

Glowworms — (group one) Sarah Wilbee, first; (group two) Ellen Brohm,

third; (group three) Courtney Wells, second, Megan Hirstwood, third.

Popples — (group one) Krista Matysek, third.

Go Go Gadgets — Brandi Hewson, fifth.

Unfortunately, Jessica Berry was ill and couldn't compete.

Congratulations to all!

It looks like a sure thing, as Westside player Bart Hilhorst (number one in the light coloured jersey) lets go with a flip shot at a screened Home Hardware goalie Kevin Smith. It was not to be, however, as the netminder snagged the puck and spoiled the third period charge. This was one of the last scoring opportunities Westside had as Home netted three goals to secure the play-off championship in the Men's Recreational Hockey League.

CHAMPIONS! Home Hardware once again this year claimed the Minden Men's Recreational Hockey League play-off championship. Members of the team included, from the left, front row, Barry Boice, Kevin Hamilton, Paul Walker, Kevin Smith and Norm Barry; in the back row, Boomer Stamp, Tommy Miscio, Dave Rogers, Frazer Rogers, Kenny Barry, Ted Vasey, Ben Manuge and Ed Gibbons.

Minden Novice Kings take consolation game with 2-1 over Ops

Minden's Tri-County Novice Kings finished the first round of the playoffs in the top four out of eight teams.

This entitled the team to go on and play Ops for the Consolation Championship (which was the best two out of three).

Minden hosted Ops Tuesday evening, March 19. Ashley Pettes led Minden with two unassisted goals in a 2-1 triumph.

It was a seesaw affair with Minden opening the scoring at 7:12 of the first period with a goal scored by Ashley Pettes.

The second was filled with end-to-end action from both teams, with neither team able to score.

The third period saw Ashley Pettes score at 5:45 unassisted to make it 2-0 for Minden. At the four-minute mark, Ops pulled

their goalie which added to the excitement of the game.

Ops came back with a goal at 6:49, but was unable to add any more. Final score was 2-1 for Minden.

On Saturday, March 23, the boys travelled to Ops for the second game in the two out of three match.

Minden started the scoring with a goal by Jonathon Horsley unassisted at 1:38. Ops came back with a quick goal at 1:10.

It was end-to-end action throughout the second period with neither team scoring.

Minden scored at 5:33 in the third period with the winning goal scored by Ashley Pettes assisted by Brandon Bonner.

Ops rallied back by pulling their goalie with a little more than three minutes

(more on page 12)

Novice 'A' team finishes season with 4-1 loss to Ops in consolation round

The Tri-County Novice "A" team is finished for this season after losing the consolation championship to Ops.

On Thursday, March 21st the team travelled to Ops to play the first game in the best of two out of three games for the championship. Minden was defeated by Ops 4-1. The lone goal in this game was scored by Greg Kerr. The digging

finally paid off, Greg!

On Monday, March 25, Ops came to Minden for the second game. Spectators enjoyed a very exciting game, but shortly into the second period Ops scored and despite some excellent tries by Minden, they were unable to score, giving the championship to Ops.

Team members this year included: forwards - Greg

Kerr, Josh Shaw, Dan Nielsen, Paul Daniels, Colin McKenzie and Michael Hamilton; defensemen - Trevor Woods, Trevor Cole, Jordan Barclay, Richard Brohm and Jason Scott as well as goalie Shane Walker. Also, thanks again to coach Barry Shaw and assistant coach Andy McKenzie for all their time and for making it fun for the boys this year.

Lisa Carr brings home the gold for artistry at All Ontario

Minden's Lisa Carr is tops in skating

Lisa Carr skated her way to a gold placing at All Ontario Interclub in the Artistic Event.

Lisa qualified for this event by winning at

Kawartha Highlands Interclub and Eastern Ontario Section Interclub.

This artistic event is new to the skating competition and has become very popu-

lar in a short time. In this artistic event, a skater must choose a piece of music, tell a story and enact this on the ice.

Lisa has choreographed this story and skates it very

dramatically.

This is the Minden Skating Club's first time a skater placed at All Ontario and would like to extend our sincere congratulations to Lisa.

Kings win 2-1

(from page 11)

left in the game, but was unable to change the score, 2-1 for Minden.

Minden took the Championship, beating Ops two games straight.

They couldn't have done it without the boys' hard work and dedication.

Congratulations Phillip

Neville, Mark Sisson, Ashley Pettes, Curtis Danilko, Brandon Bonner, Ryan Lydiatt, Matt Hynard, Rick Kinsman, Jonathon Horsley, Adam Goad and Brian Boyle.

Cameron Neville's excellent goaltending ability throughout the games also was a major factor in Minden's victory.

Minden figure skaters go 'pop'

Skaters put on a show set to music for parents and friends

Last Sunday's *Pop Concert* put on by the Minden Figure Skating Club was a great success. Pleasing performances were provided by all the skaters,

delighting the audience members who filled the seats of the arena. Pop music was the theme, with costumed skaters moving to tunes ranging from Vanilla

Ice's *Ice Ice Baby* to *I Don't Know How to Love Him* from the musical *Jesus Christ Superstar*. The skaters certainly showed off all the hard work they've put in this year.

Photos, clockwise from above left: soloist Kyla Grexton shows a graceful form; Lisa Ranson, Danielle LeBlanc, Aarica Steele, and Cindy Malloy try out the Mexican Hat Dance; Natasha Chisolm skates to *Waltzing Matilda*; and Russians Sarah Brohm, Rachel Brown, Sarah Marsh, Teri Sisson, Margaret Berube, and Kerri Matysek kick up their blades to *Rah Rah Rasputin*.

Apply soon for OHIP card

by Doreen Hawman

Sometime ago you were asked by the Ministry of Health for Ontario, to complete an application to receive a personalized OHIP card.

Many residents of Ontario have now received their cards, while others are still waiting. Due to the unexpected backlog and many errors which have been found in applications already submitted, the effective date to use the card has been extended to July 1991.

If you still have not completed an application it is very important that you do so, as you will be asked for the new identification when visiting your doctor or any other medical facility.

If you have received your new card and have found an error in the information, make the changes in the space provided and return to the ministry in the self-addressed stamped envelope provided.

For residents of Ontario who are 65 years of age or over, the new Health Card will replace both the Ontario Seniors Privilege Card and the OHIP card used prior to the change.

If you require an application or need assistance completing the form, contact your nearest Information Centre.

In Haliburton, the centre is located in the Drag River

Municipal Building, Maple Ave., open Monday to Friday 10 a.m. to 4 p.m. or call 457-2733. The satellite office in Minden is open Monday and Tuesday 10 a.m. to 4 p.m. or call 286-4100. If you live outside the toll-free area, please call collect.

Many agencies in our community need volunteers to assist with their programs. If you would like to help, please call the information centre for details.

CHANGE IN OFFICE HOURS M.N.R. — MINDEN DISTRICT

Effective April 1st, 1991, Minden District Office will implement new hours of service to the public. The hours are 8:00 A.M. to 4:30 P.M., Monday through Friday.

Stanhope proposes to expand Hawk Lake landfill

by Jay Kerr-Wilson

The proposed expansion of Stanhope's Hawk Lake landfill site will increase the facility's life span by 20 years.

The township has applied to the Ministry of the Environment to increase the area of the landfill from its current size of 1.4 acres to just over two acres.

Donald Tefft, a project manager with Totten Sims Hubicki, the engineering firm handling the expansion, says most people won't even notice the half-acre expansion.

Tefft was one of several consultants on hand at an open house in Stanhope last Tuesday to hear input from residents on the expansion.

Both the consultants and township officials were impressed with the steady flow of people who came into the community centre to talk about the expansion.

Because Stanhope's population is less than 1,500, Tefft said no formal environmental hearing is required for the landfill expansion and the open house was designed to allow public participation into the project.

Among the residents who attended the meeting, Tefft said there was quite a bit of concern about the environment and the effect the expansion will have on surface and ground water.

Tefft said the facility is in an excellent location because of the sandy soil and a

good area to act as a buffer against leachate produced by the landfill.

Plants in two nearby wetlands will help remove nutrients and Tefft said the Kennis River, which flows nearby, will act as a barrier preventing further migration of the leachate.

The landfill will have no measurable impact on the water quality of the river, said Tefft.

Without the expansion, Tefft said the facility would be full within a couple of years. By adding the half-acre and increasing the height of the site by 20 feet, the landfill will be good for about another 20 years.

The landfill is surrounded by Crown land and Tefft said some arrangement

with the province, either through sale or lease, will have to be made for the additional property.

As well as increasing the size of the facility, the township will also be establishing a recycling depot to reduce the amount of waste being dumped.

Tefft said Stanhope is lucky because it has three landfills serving a relatively small population. And because each of the sites is small, there is less chance for a potential hazard to the environment.

The application to the Ministry of the Environment will be submitted in two weeks and provincial approval usually takes about three to four months. If approval is given, Tefft said work will begin next spring.

Minden OMHA Novices host exciting tourney, but lose 4-3 to Haliburton in consolation game

The Minden Re/Max OMHA Novices hosted a tournament on Saturday. They were joined by teams from Haliburton, Gravenhurst, Huntsville, Bowmanville, Oakwood and Bancroft, as well as the Minden Tri-County team.

First game was the Minden OMHA team against the Minden Tri-County team. This was an exciting game with all the fans cheering for Minden. Although the OMHA team came out on top 5-0, we have to give the other team a lot of credit for a job well done.

Starting off the scoring for the OMHA team was Shawn Casey, assisted by Nick Kulas and Matt Reid. The second period showed two unassisted goals from Danny Jordan. The third period gave Jordan another goal this time assisted by Jarett Rowden and Gary Kernohan. With only 1:37 on the clock, Kulas sunk the last one, assisted by Adam Durkin and Casey.

Mitch Johnson earned the shutout. Without superb goaltending by Johnson and Tri-County goalie Shane Walker, this could have been a whole different story.

Second game showed

Bancroft and Huntsville, with Huntsville being the dominator, 9-4.

Game three was a contest between Haliburton and Oakwood. Although Oakwood put up a good fight, they were only able to make the mark once. Haliburton, on the other hand, marked up five. Scoring for Haliburton was Kenny Ablett with two, unassisted, Mike Morissette with two, one assisted by Mike Craigen, the other unassisted. The final goal was scored by Greg Forgrave, assisted by Craigen. Oakwood's only goal was scored by Murray Squires, unassisted.

The final game of the first round was between Gravenhurst and Bowmanville, with Bowmanville winning 8-0.

Fifth game had Minden Tri-County facing off against Bancroft. This was a very close match as it wasn't until the 7:44 mark of the third period that Bancroft finally netted the only goal of the game. Minden had plenty of chances but couldn't get it between the pipes. Final score, 1-0.

Game six had Minden OMHA against Huntsville.

At the five minute mark of the first period, Danny Jordan his first one, unassisted. Later he marked another one assisted by Danny Vanderlip. Jordan then slipped one over to Vanderlip who marked once for himself. Jordan one again broke away from the pack and scored his second hat-trick of the day. Rounding off the scoring for Minden was Kulas, unassisted. With only two minutes left in the game, Huntsville scored their only goal. Final score, 5-1.

Game seven had Bancroft against Oakwood. Oakwood gained control early in the game and kept control, beating Bancroft 5-0.

Game eight had a very close match between Haliburton and Bowmanville. Ken Ablett scored first, unassisted. Second goal came from Mike Craigen, assisted by Greg Forgrave and Ablett. Bowmanville then came back to tie, then scored again. At the 5:32 mark, Ablett moved in with Craigen to tie it up. At the 3:19 mark, Craigen came in by himself to score the winner. Final score 4-3, Haliburton.

The Consolation Championship had Oakwood

battling it out with Gravenhurst, with Oakwood coming out on top 9-3.

The Championship game had rivals Minden and Haliburton striving for the win. Haliburton opened the scoring early in the game with Mike Craigen coming in unassisted. Play was back and forth until into the second period when Adam Durkin picked up a pass from Shawn Casey and Nick Kulas. With only seconds left in the second period, Greg Forgrave marked another one assisted by Ablett. Early in the third Craigen once again found the hole and drove it in assisted Ryan Wood. Several minutes later he again found the spot, this time unassisted. Minden finally got back on track, and with 1:51 to go, defenseman Matt Reid popped one in. At the three second mark Danny Jordan was able to sneak one in, but too little too late. Final score 4-3, Haliburton.

This was an exciting tournament and we would like to thank everyone who participated.

Seniors can get emergency help with the push of a button

by Donna Pacey, Executive Director, Haliburton County Home Support.

The Emergency Response System is a service that Haliburton County Home Support Services has been offering to the seniors (55 years and older) and disabled (18 years and older) of

Haliburton County for approximately three years. The Emergency Response System is a system that consists of a button that the client wears around one's neck and a unit that connects to the client's private telephone line. If an emergency arises, the client presses the button and

an alarm goes off in the response centre at Alarm Systems in Belleville. The response centre will call anyone the client has previously listed at the installation of the Emergency Response System (i.e. family, neighbour, friend or emergency service - ambulance, police). The

Emergency Response System offers independence, with a comforting sense of security, to someone on their own. The Emergency Response System is inexpensive. There is an installation fee of \$25.00 and a monthly fee of \$27.00. If the Emergency Response System is removed prior to

one year of rental, there will be a removal fee of \$25.00. All prices include GST.

If you would like further information or a free demonstration please call Sherron Sisson at Haliburton County Home Support Services (705) 457-2171.

West Guilford needs

drivers for Meals on Wheels. Please call Carol Dewey (705) 457-2941 for further information.

If you are doing Spring Cleaning, our Annual Yard Sale will be held on June 29th. Remember: your junk is someone else's treasure. Please call Sherron Sisson (705) 457-2171

Snowdomes range from tacky to tasteful

by Joel Levis, Haliburton County Public Library.

Snowdomes: Different things to different people

No one knows when the first snowdome surfaced although there are suspicions that it was 1878 as seven French exhibitors displayed "paper weights of hollow balls filled with water...(and) a white powder which, when the paper weight is turned upside down, falls in imitation of a snow storm".

Some people called them "souvenirs"; the rest as the French would say is "histoire". They crossed the Atlantic in the 1920's when the Germans began to export them and by the start of the Second World War--the supply obviously having dried up--they were everywhere.

Subsequent to this, there occurred the vaguely remembered "Great Snowball Fight" of 1954 which saw the world legally divided into two parts for

distribution rights of the product.

Now as a staple of Third World economies, they live on in a somewhat refined state. Some firms have added anti-freeze to the water for colder climates; others use rice or other compounds for snow. Honestly, could we make this up?

So what we have here is an illustrated sampler of the many and varied forms this particular cultural component can take. From

the truly tasteful to the tasteful to the equally tremendously tacky, it's all here arranged under such headings as "Global Globes", "Animal Kingdoms", "For Heaven's Sake", "I'm Dreaming of a White Christmas" and our special favorite "Snowdomes Go to War".

There's always something different at your local branch of the Haliburton County Public Library. Check the branch closest to you and see if we are wrong!

CALL — JESSIE PFLUG — SALES ASSOCIATE — Res.: 489-3713

Judge acquits Haliburton youth of sex assault charge

by Susan Grober

A Haliburton youth accused of grabbing a woman's breast has been found not guilty of sexual assault.

The 17-year-old, who cannot be identified in accordance with the Young Offenders Act, appeared in court last Wednesday in Minden before Judge Crawford.

Alice Joyce Shaw testified that on August 19, 1990, the youth grabbed her breast while they were in a taxi cab driven by her husband, Raymond David Shaw.

The 42-year-old woman was sitting in the passenger seat, next to her husband, and the youth was in the back seat behind her.

She testified that they picked up the youth on Buckhorn Road at about 3 a.m. The youth asked for a cigarette, but Shaw was smoking her last one, she said.

"He reached over and grabbed me by the breast," she said. "I told him, 'You better let go of my breast.'"

Shaw said the youth had his hand on

her breast over her leather jacket, and that his hand was on her for awhile before he finally let go.

She said she's positive the youth's actions were deliberate when asked by Crown Attorney Jerry Woron if the youth could have just touched her by mistake. "I know that if it was an accident, he would have said sorry," she said.

Shaw said the youth later attempted to touch her breast again, but his hand only came within half an inch of her body. "I told him right then, 'Smarten up'... My husband told him if he couldn't smarten up he could get out and walk."

As a result of the alleged incident, Shaw said her left breast was bruised and that she still has some pain along her left side.

Raymond Shaw, 40, testified that he didn't see anything occur as he drove. "I heard my wife say to quit grabbing her... She hit his hand. After I heard the slap, I stopped the car and told him he'd have to behave himself or walk home."

The youth testified that he had called a cab that night to get home from a party.

He said he never touched the woman's breast. "I just reached up and grabbed for it (the cigarette). I never made contact with anything. She said I couldn't have one, and I sat back down in the seat."

Defence lawyer Brad Johnston pointed out that Raymond and Alice Shaw both have criminal records.

In January, Raymond Shaw was found guilty of communication for the purpose of prostitution, after he was accused of offering money for sex from women who rode in his cab.

That month he was also convicted of mischief to property for knocking on the door of a residence in the early hours of morning on February 12, 1990.

Alice Shaw was convicted of mischief in a related incident where she reported a false crime, gave police a false name, and asked them to investigate at a false address. She sent them to the house where her

husband had been knocking on the door.

Johnston also noted a number of inconsistencies in Alice Shaw's testimony.

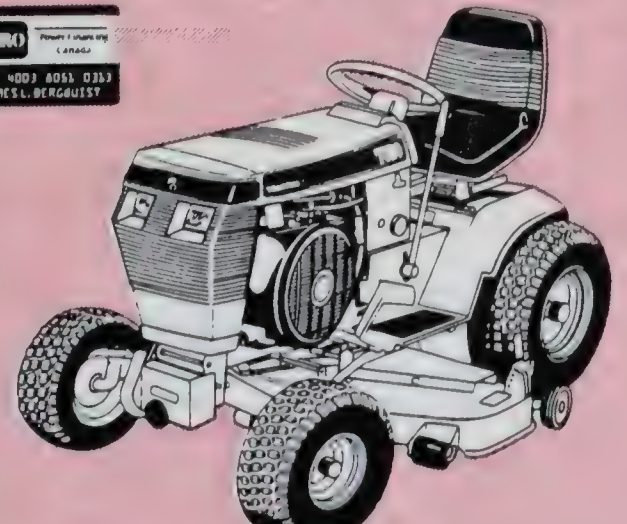

She wasn't sure when the incident was reported to the police, she wasn't clear on whether she slapped the youth's hand, and she changed her testimony on where the car was when both of the alleged incidents occurred.

Johnston also disputed Alice Shaw's claim that she was injured during the incident. "She said even today she still has some pain. That's totally unbelievable evidence."

Judge Crawford agreed that the Shaws' credibility is poor, and added that Raymond Shaw said he didn't see very much.

He said the youth provided a straightforward testimony, and had good credibility. "It strikes me that the accused's recollection of the event is very likely accurate."

'No Payments Until September '91'

You can mow all summer long without a payment.

Purchase a new Toro Wheel Horse between March 22 and May 15, 1991, and pay no interest and make no payments until September 15, 1991 through the Toro Power Financing Card*. And get this -- there's no down payment! But hurry! This promotion ends soon.

Canada takes part in building international space station

"Space: the final frontier..." and Canada is a big part of it! Literally.

Together with NASA, the European Space Agency (ESA) and Japan, Canada is taking an active part in one of the most exciting and largest technological projects in history--the building of the international space station FREEDOM.

Industry, Science and Technology Minister Benoit Bouchard recently announce the awarding of a \$195 million contract to SPAR Aerospace. SPAR, the prime contractor, along with sub-contractors across Canada, will be working on the design and assembly of the Mobile Servicing

Report from Ottawa

With Bill Scott, MP

System (MSS) component of the space station.

An important part of the MSS is the "new and improved" version of the famous CANADARM, used on U.S. space shuttle missions to place or retrieve satellites in space. This "new and improved" version is the main component of the MSS SPAR is developing. It will be able to handle loads up to 116,000 kilograms and mimic most movements of the human arm including grasping,

placement and manoeuvring of materials.

When operated by astronauts, it will be an extension of their own senses, able to see and touch. Officially called the Special Purpose Dexterous Manipulator, its nineteen joints, two arms, remote control vision and force-sensing capabilities will provide exceptional mechanical dexterity for complex tasks.

After the space station is built, the MSS will be used to perform maintenance and

repair tasks. The first element of the MSS equipment is scheduled to be flown to space station orbit in 1996.

In this second phase of the development of the Mobile Servicing System,

1200 person-years of employment will be generated for Canadians.

Spinoffs from the development of the MSS and the use of the space station will result in over \$5 billion in

economic activity and approximately 80,000 person-years of employment for Canadian industries.

Canada has just given man's quest to reach the stars a helping hand.

Madcap comedy comes to Lindsay

April 5th is opening night for Lindsay Little Theatre's third annual spring musical, Stephen Sondheim's Tony Award winning *A Funny Thing Happened on the Way to the Forum*, and it is fast approaching. The play is running five nights - April 5, 6, 11, 12 and 13 at 8 p.m. at the Academy Theatre in

downtown Lindsay. An impressive group of actors, singers, musicians and dancers, all local, have been working very hard all winter, and it promises to be a wonderful evening of music and fun.

A Funny Thing... is a madcap comedy set in ancient Rome, and is the story of Pseudolus, a wily

and clever slave who goes to extreme measures to win his freedom, setting in motion a hilarious tale of mayhem and confusion. There is lots of music, comedy and costumes, and a lighthearted evening of entertainment is guaranteed.

For further information, call 324-5378.

NOTICE

(File #90-06)
(GOLDBERG, Deanne)

IN THE MATTER OF the Municipal Act; and IN THE MATTER OF a proposed By-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowners portions of the original allowance for road along the shore of Kashagawigamog Lake lying in front of Deanne Goldberg's property on Part of Lot 20, Concession 3, in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to Section 301(1)(a) of the Municipal Act, R.S.O. 1980, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden proposes to consider and, if deemed advisable, to pass at its regular meeting to be held in the Municipal Council Chambers on Milne Street, Minden, Ontario, on April 11, 1991 at the hour of 10:00 a.m., a By-law to stop up, close and convey those parcels of land more particularly described as follows: -

Parts of the original allowance for road along the shore of Kashagawigamog Lake in front of Lot 20, Concession 3, in the Township of Minden, in the County of Haliburton, designated as Part 1 on a plan of survey completed by Deardon & Stanton on October 24, 1989.

The plan of survey is available for inspection in the Municipal Office, at Minden, Ontario during regular office hours.

AND FURTHER TAKE NOTICE that before passing the said By-law at the meeting to be held at the time and place above-mentioned, the Council shall then and there hear in person or by his or her counsel, solicitor, or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Minden this 5th day of March, 1991.

CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

NOTICE

(File #85-6)
(Mary Gilpin)

IN THE MATTER OF the Municipal Act; and IN THE MATTER OF a proposed By-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowners portions of the original allowance for road along the shore of Horseshoe Lake lying in front of Mary Gilpin's property on Part of Lot 10, Concession 8, in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to Section 301(1)(a) of the Municipal Act, R.S.O. 1980, as amended, that the Council of the Townships of Anson, Hindon and Minden proposes to consider and, if deemed advisable, to pass at its regular meeting to be held in the Municipal Council Chambers on Milne Street, Minden, Ontario, on April 11, 1991 at the hour of 10:00 a.m., a By-law to stop up, close and convey those parcels of land more particularly described as follows: -

Part of the original allowance for road along the shore of Horseshoe Lake in front of Lot 10, Concession 8, in the Township of Minden, in the County of Haliburton, designated as Part 5 on a plan of survey completed by Bishop and Wilson, on February 28, 1988.

The plan of survey is available for inspection in the Municipal Office, at Minden, Ontario during regular office hours.

AND FURTHER TAKE NOTICE that before passing the said By-law at the meeting to be held at the time and place above-mentioned, the Council shall then and there hear in person or by his or her counsel, solicitor, or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Minden this 5th day of March, 1991.

Mrs. Mary Mysyk,
Clerk-Treasurer
P.O. Box 359
Minden, Ontario

CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

PUBLIC NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Lutterworth, proposes to enact a by-law to stop-up, close and convey to the abutting property owners a portion of the original allowance for road set out and described as follows:

FIRSTLY: ALL and singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Lutterworth, the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Davis Lake, lying in front of Part of Lot 9, Concession 3, and being more particularly described as Parts 1 & 2 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-5014.

THE PROPOSED BY-LAW will come before the said Council for consideration at its Regular Meeting at the Municipal Office, located 3 miles south of Minden on Highway #35 on the 30th day of April, 1991, at the hour of 4:15 P.M. and at that time, the Council will hear in person or by his or her counsel, solicitor or agent any person who claims that his or her land will be prejudicially affected and who applies to be heard.

DATED at the Township of Lutterworth this 19th day of March, 1991.

FOREST FIRES BURN MORE THAN TREES

During 1990, 42 forest fires occurred in the Haliburton and Minden areas. The months of April and May are the most dangerous time. Dead grass and leaves will allow a fire to spread very quickly resulting in the potential loss of life, dwellings and forested land.

Before you burn your grass, brush or debris, remember these important points:

1. You must obtain a fire permit;
2. Ensure that a responsible person tends the fire;
3. Keep the fire under control;
4. Upon completion, put your fire **dead out**. Even if it appears to be out, stir it, and drown it with water, again and again, until you're sure it is out.
5. No burning allowed between 10:00 a.m. and 6:00 p.m. (with the exception of Industrial Permits)

During the fire season (April 1st to October 31st) the Forest Fires Prevention Act requires you to obtain a permit to be kept at the burning site and shown to an officer upon request. If you don't, you could be fined up to \$1,000.00, imprisonment up to three months and liable for any costs and expenses involved in extinguishing a resulting fire.

Natural
Resources

For further information, please contact your local Municipal Office, fire department or the Haliburton Fire Operations Headquarters at (705) 457-2107.

Irish pub helps make Happy Hour a St. Patrick's Day treat

Senior League

by Winnifred Barnum

Friday, March 15, 1991, Happy Hour was a special event in honour of St. Patrick's Day. The auditorium was decorated as an Irish Pub. Guests were residents of Staunworth Court, Staunworth Terrace and Sunrise Apartments. Eldon Deacon drove our bus to the apartments and picked up the residents since it was dirty under foot for walking. Relatives and friends of our residents were invited also.

The entertainers were Doris Robertson, Don Alton, Don White, Charlie Hadley, Lloyd Madill, Bill Payne and Eldon Deacon. There was singing, and many got up to dance. It was an enjoyable afternoon. The volunteers for Host and Hostess were Don and Ellen Holden, Mary Guillemine, Bonnie Fullan and Rose Smith. Linda Fry and Cindy Wright were in charge. Thanks to all who entertained the residents and to the volunteers who served everyone so well.

I have recently been informed that Muriel Har-

ington donated money to buy new books for our library. We thank her from the bottom of our hearts. Muriel has also taken on the job of doing shopping for the residents. During the week Linda makes a shopping list of the things residents would like to buy, and then on Thursday Muriel picks up the list and goes downtown to purchase the items. She is so good to do this and we thank her very much.

Sunday night Chapel service was held by Reverend John Burgess and Alice Jones played the organ.

Monday Evelyn Coleman came for Bible Study. We have studied all the women from the Bible and have started the Parables of the New Testament.

Tuesday, the Hyland Crest Auxiliary held their Annual Card Party in the auditorium. A charge at the door covered playing cards, tea and the prize draw. Several won prizes.

The Residents' Council raffled a pair of cushions,

Pearl Lyle drew the winning ticket that just happened to be Winnie Barnum. It was an enjoyable afternoon.

At 4 p.m., Marion Fisher came for reading. Terry and Norma came down from Haliburton, and they took me out for a drive and dinner.

Pastor Murray held a service in the main lounge in the evening. Thank you all very much.

Thursday was the weekly Tea Party. The Lochlin Ladies from the United Church kindly provided the lovely tea. The ladies were Mary Endicott, Gertie Flink, Gladys Reid, Shirley Hill and Mildred Hill. We thank the ladies greatly, and appreciate their coming.

In the evening Marg Prentice was with us again for bingo. She had a happy vacation in Florida and she brought each of us a little remembrance, three chips to be used for the free square on the bingo card, each chip had a face on it. Thanks, we love them.

Monday night Tom McAllister showed the movies for us. The first one was "The Desert in Arizona", the picture was good but the audio was very bad. The second was "New Orleans", and finally "Blackie the Little Sheep

Dog of New Zealand". Thank you very much, Tom.

Once again it is Friday, and Happy Hour. We were nicely entertained by Bill

Payne, Eldon Deacon and Charlie Hadley. The volunteers were Don and Ellen Holden, helped by Linda Fry and Cindy Wright, we sincerely thank everyone.

We at Hyland Crest are sorry to hear that Anne Burk is very ill and in Sunnybrook Hospital, Toronto. We wish her a speedy recovery.

HELP WANTED

CORPORATION OF THE COUNTY OF HALIBURTON

The County of Haliburton is in the process of establishing an economic development task force to assist in the implementation of its economy strategy plan. We are seeking applications to fill two positions on the task force which will be chaired by the warden.

The mandate of this task force is to work in concert with the County E.D.O. to promote economic development in the county of Haliburton and will involve attendance at meetings of two to three hours in duration (some in the evening) and averaging two meetings per month.

Applicants should be knowledgeable about the county's economy and be able to combine realism of today's conditions with vision for the future.

Rewards - recognition and satisfaction for contributions made to the success the county intends to achieve. Meeting per diem and travel allowance will be paid.

Please submit outline of qualifications by April 15, 1991, to:

Gary McKnight, A.M.C.T.
Chief Administrative Officer
County of Haliburton
Box 399
Minden, Ontario

TROY-BILT

Newest TROY-BILT Tillers and Shredders are
HALF THE PRICE of our larger models.

Step up from back-breaking hand gardening to the 4HP TROY-BILT JUNIOR® Tiller! "Just One Hand"® operation makes gardening a joy again! Perfectly sized and priced for small gardens.

The 3 HP Junior TOMAHAWK® Chipper/Shredder lets you make your own natural mulch, rich compost, and wood chips from ugly brush, branches, and other yard debris.

CARD OF THANKS

The family of the late Marjorie Francis wish to extend our deepest thanks to our friends and relatives for your kind support during our loss, and for the cards, flowers, donations, phone calls and food. A very special thank you to the doctors, nurses and staff of Minden Hospital. To Richard, Randy and the other ambulance attendants for the many times you helped so quickly with your excellent care and concern for Mom. To Reverend Moll for the special service, to the UCW for the lovely luncheon and the Gordon A. Monk Funeral Home for your help and understanding at this time. To you all, it has been very deeply appreciated and will always be remembered. Thank you.

Many thanks to Mr. Paul Sisson of Bracebridge who devoted most of the week, March 15 - March 22, 1991, toward making the C.I.T.C. sponsored Softwood Lumber Grader course a success. At no benefit to himself, Mr. Sisson let us utilize his farm just South of Gelert, and made arrangements to rent the community hall, and to practice grading on his neighbours' wood pile. Thanks again Paul, you are a good man to know and an asset to your community. Doug Field, Co-ordinator, Bancroft-Haliburton Community Industrial Training Committee.

CARD OF THANKS

The family of the late Olive McLearn would like to thank Minden ambulance attendants, Dr. Asbell and nurses Pat Ferguson and Irene Moxam, the Gordon A. Monk Funeral Home, Reverend Moll for his comforting words, our wonderful neighbours with all their goodies, phone calls, and many friends who were there when we needed someone. Special thanks to my brother Wes and his wife Connie, and our children Linell and husband Norm, David and his wife Grace. We couldn't have gone through those hard days without all of you. God Bless.

Jim & Jean Fairfield

AT REST

McLEARN, OLIVE EDNA - suddenly on Saturday, March 23, 1991, in her 92nd year. Beloved wife of the late Frances Karl McLearn, dear mother of Jean and her husband Jim Fairfield of Minden, Wes and his wife Connie of Trenton and June Ross of Togo, Saskatchewan. Predeceased by Hope Burnside of Kamloops, B.C., loving grandmother of many grandchildren, great and great-grandchildren. Daughter of the late Nehemia and Nellie Avery, predeceased by ten brothers and sisters. Private family funeral service at the Gordon A. Monk Funeral Home, Minden, on Monday, March 25, 1991. Spring Interment Maple Lake United Church Cemetery.

Point in the Right Direction

Be a leader

CARD OF THANKS

Home again! Thanks to everyone for calls, cards, etc. Special thanks for the extras from Loyne & Eve Cox, Garnet & Wanda Davis, Mervin & Lois Barry, Mervin & Ruby Gilbert, Jim Burke, Allan Upton and Dave Magee. Your support and kindness has kept us going. We love you.
